Letter of Appreciation

To Warners Bay Community Garden

We wish to thank you very much for your support and help recently to the Warners Bay Early Learning and Care Centre Inc. Your contribution to the centre during the Working bee on Sunday 27th March 2011 was greatly appreciated. The garden beds look magnificent and the children have been busily planting lots of vegetables. Their experiences with the natural world have been meaningful and enjoyable. Our playground redevelopment has begun and is looking amazing already.

Yours Sincerely
